Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Robert W. Griffith, Reg. No. 48,956 on November 17, 2005. See attached Interview Summaries.

The application has been amended as follows: in the Claims of the Amendment After Final, filed on October 24, 2005:

Claim 1: line 7, after "requisites for a service provided by the software package" insert – comprising at least one of a pre-requisite, an ex-requisite and a co-requisite associated with installation of the software package on a target machine –

Cancel Claim 2

Claim 10: line 8, after "provided by the software package" insert – comprising at least one of a pre-requisite, an ex-requisite and a co-requisite associated with installation of the software package on a target machine –

Cancel Claim 11

Claim 21: line 9, after "requisites for a service provided by the software package" insert – comprising at least one of a pre-requisite, an ex-requisite and a co-requisite associated with installation of the software package on a target machine –

Claim 22: line 9, after "requisites for a service provided by the software package" insert – comprising at least one of a pre-requisite, an ex-requisite and a co-requisite associated with installation of the software package on a target machine –

Examiner's Statement of Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The prior art of record (Applicants' Admitted Prior Art ("AAPA") and U.S. Patent No. 6,484,247 to Gendron et al. ("Gendron")), taken alone or in combination fail to teach or suggest "dependency information indicating requisites for a service provided by the software package comprising at least one of a pre-requisite, an ex-requisite and a co-requisite associated with installation of the software package on a target machine," when this limitation is taken in combination with the remaining limitations of independent Claims 1, 10, 21 and 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
